ADDENDUMS TO PLAINTIFF'S MOTION FOR PROOF OF CLAIM

NOW COMES *Plaintiffs, Unsecured Creditors: James David Derouin Deborah Lee Derouin*, for its Addendums to its Motions for Proof of Claim. To include new exhibits, to go along with exhibits already filed thereto and amended arguments, the "Taped Calls" to KCC, and Silvermancampora LLP who Filed our (Misclassified Borrower Claims) and walk us through our amended Voting Ballot with KCC, the "Taped Calls" stated that our Claim was "Overwhelmingly Approved" and "were going to pay you what you asked

for" (Quote) that was for \$92,400.00. That we have never received. Was it overlooked or just paper pushing. Either way, we expect an answer.

It was so Ordered, and Federal Judge Martin Glenn Orders, "that this Court shall retain jurisdiction to hear and determine all matters arising from or related to this Order. There are some other matters related to this Case, that I was forced to just File with the State of Michigan. That I'm forced to File with this said Court, and Federal Judge Martin Glenn. "More Attacks" from the State and others for the Wayne County P.A. Letter that I filed with this said Court and Federal Judge Martin Glenn "just ask the Judge for Criminal Contempt Charges" ect: That I should be able to send after I send it to Michigan Governor Rick Snyder. Enclosed is a Copy of the Taped Calls and the Wayne County P.A. Letter.

**“Temporary Allowance Request Motion”
is for \$92,400.00**

James David Derouin Deborah Lee Derouin

Case No. 12-12020

I James David Derouin filed his “Proof of Claim” for \$58,195.07 but that was before I received the Wayne County Prosecuting Attorney Letter, asking the Judge to initiate “criminal contempt charges”

Therefore, I now claim that the unlawful sale of \$92,400.00 for our Home is the claim number that should be paid now. This is the number that is only fair and justified. GMAC was knowingly paid from Federal Bankruptcy Judge Rhodes for those non-payments claims that sold my Home for over fifty years.

We are seniors and mortgage credit is killed forever, forced to give-up Medical Plan payments for years, 401k. Bad Credit thus higher cost for everything , insurance ect, just to fund our bankruptcy for false claims.

Worst of all was all the Pain, Suffering and all the Stress my Wife and Family were Tortured with. Orlans law firm really buried the knife on this one, for about five years. “Orlans revenge for the P.A. letter” Trying to get us arrested in the court hallway “screaming threats” Orlans stabbing my wife and family in the back and really twisting the Knife in thee end. Hiding Federal Judge Glenn orders on Judge Wirth Desk, and we had to buy the copies, that we never received from the court, with all this and Orlans knew GMAC was already in bankruptcy.

Therefore I, James David Derouin. say Orlans must also come to this Settlement Table on this one, now, and request the hearing be allowed.

Forced to submit, *(this was sent on or about Nov. 2013)*

Dear Mr. Derouin,

Your letter dated January 18, 2013, and enclosures totaling 80 pages was received and reviewed.

The material indicates that you are a defendant in Michigan's 17th District Court (civil case no. 1256448 LT). You believe that a false payment history was filed by the plaintiff as part of the pre-trial proceedings in a foreclosure action and that this constitutes a criminal act.

In response, please understand that in matters of this type a complaint and subsequent police investigation by a police agency is necessary before the Wayne County Prosecutor's Office will review the allegations. Our investigative staff is not funded to investigate allegations of this type.

On the other hand a quicker solution may be to ask the Judge to initiate a "criminal contempt" charge against the alleged offender.

Finally, please note that criminal charges brought by the Wayne County Prosecutor's Office must be proven "beyond a reasonable doubt" to a unanimous jury. On the other hand, "civil" cases and contempt of court cases only require "a preponderance of the evidence"; a much less burdensome hurdle. If you believe that a false allegation harmed you, consultation with an attorney may help you decide whether it merits further legal action.

Hopefully this information will be useful as you litigate your case in the 17th District Court.

Sincerely,
